

Event Manager

Forma LMS allows notifications to be automatically sent to users.

Notification events can be set from:

Admin > Settings > System Configuration > Event Manager

Notifications Settings

This is the list of available notifications:

| Event settings | | | | | | |
|----------------|--|----------------------------------|----------------------------------|-------------------------------------|--------------------------|--------------------------------------|
| Platform | Name | Not used | Mandatory | Email | SMS | Recipients |

| appLMS | New Announcement | <input type="radio"/> | <input checked="" type="radio"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | All |
| appLMS | New message received | <input checked="" type="radio"/> | <input type="radio"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | All |
| appLMS | New category | <input checked="" type="radio"/> | <input type="radio"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | All |
| appLMS | New thread | <input checked="" type="radio"/> | <input type="radio"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | All |
| appLMS | New reply | <input checked="" type="radio"/> | <input type="radio"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | All |
| appLMS-A | User waiting to be unsubscribed from a course | <input checked="" type="radio"/> | <input type="radio"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | Moderators and Super-Administrators |
| appCore | User approval | <input type="radio"/> | <input checked="" type="radio"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | User |
| appLMS | User purchased a course | <input checked="" type="radio"/> | <input type="radio"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | User |
| appCore | New user waiting to be approved | <input type="radio"/> | <input checked="" type="radio"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | Moderators and Super-Administrators |
| appCore | event class usernewapi | <input type="radio"/> | <input checked="" type="radio"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | User |
| appLMS-A | event class usercourseinsertedapi | <input type="radio"/> | <input checked="" type="radio"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | User |
| appCore | User status is change in modified | <input checked="" type="radio"/> | <input type="radio"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | Super-Administrators |
| appLMS-A | event class usercourseinsertedmoderators | <input type="radio"/> | <input checked="" type="radio"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | Instructors |
| appCore | User has been suspended | <input checked="" type="radio"/> | <input type="radio"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | Super-Administrators |
| appCore | User Node is changes | <input checked="" type="radio"/> | <input type="radio"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | Super-Administrators |
| appCore | User has been suspended | <input checked="" type="radio"/> | <input type="radio"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | Instructors and Super-Administrators |
| appLMS-A | User registered - superadmins | <input checked="" type="radio"/> | <input type="radio"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> | Super-Administrators |

Platform

Part of the system where the notification is generated

Name

Description of the event that will generate a notification

Not Used

Notification won't be sent

Mandatory

The selected notification will be sent to involved users, based on event type

Email / SMS

Define whether the notification should be sent by email and/or SMS.

Note: for SMS to be sent, a dedicated service must be configured. Check [SMS configuration](#)

Recipients

Description of the type of recipients for each notification

Notification Text

The text of automatic notification events can be modified through the Language Management feature:

*Admin > Settings > **Language Management***

Just search for part of the text you need to edit
